

**How to complete this sheet**

If a pupil walks, cycles or scoots to school enter a ✓ in the relevant box. Each child can only make one journey to school for each day.

At the end of each day count up the number of ticks for each category and then enter the information online at [www.girochallenge.sustrans.org.uk](http://www.girochallenge.sustrans.org.uk)

Active Travel includes journeys made by bike, scooter or walking. The cycling category is just for journeys made by bike.

If you have more than 19 pupils taking part please print out more sheets.
